The Prez sez...

Greetings once again from the pen of the “prez” Hopefully you are all holding steady to your New Years Resolutions. Hats off to those that are, and to the rest... Well there is always next year! Fortunately for me I never made any so I’m in the clear! With February here, it seems these winter months are quickly passing, at this rate spring is just around the corner. Once again we rest our fate with the groundhog. According to the legend of seeing his shadow or not. Who cares the way things have been this winter, all I am saying is all bets are off! On a more serious note don’t forget your sweethearts this month, Valentines Day is February 14. Alas, some will go to great lengths to impress but the simplest of gestures, a smile and heartfelt “I Love You: will do just fine. If you really feel the need flowers do work on more extreme cases.
Hope to see you all soon,
“Think Spring”
The Worthy Prez,
Kurt Nowland

The Madam Prez sez

Happy Valentines Day and Super Bowl Month to everyone. We had several good events in the month of January, if you had the chance to attend one of them you would have really enjoyed yourself. Fun was had by all at the kickball game and the cornhole game. Zingo had a good turn out and everyone had fun, please join us for our planned events and watch the board and door for upcoming events. Unfortunately not everything ends up in the news letter so watch for flyers. I want to welcome our new members and remind everyone that it takes a lot of people to run a club please give us some of your time. Spring is around the corner and so is the warm weather, not the winter so far has been bad, but I want it warmer!!!! Please start thinking about running for an office, it will be here before you know it.
Your Madam President, Anna Dawes
